

Aluminium Extrusion

Profiles for roof of subway carriage

Profile for roof connection of subway carriage

Metro mount pad for draft sill

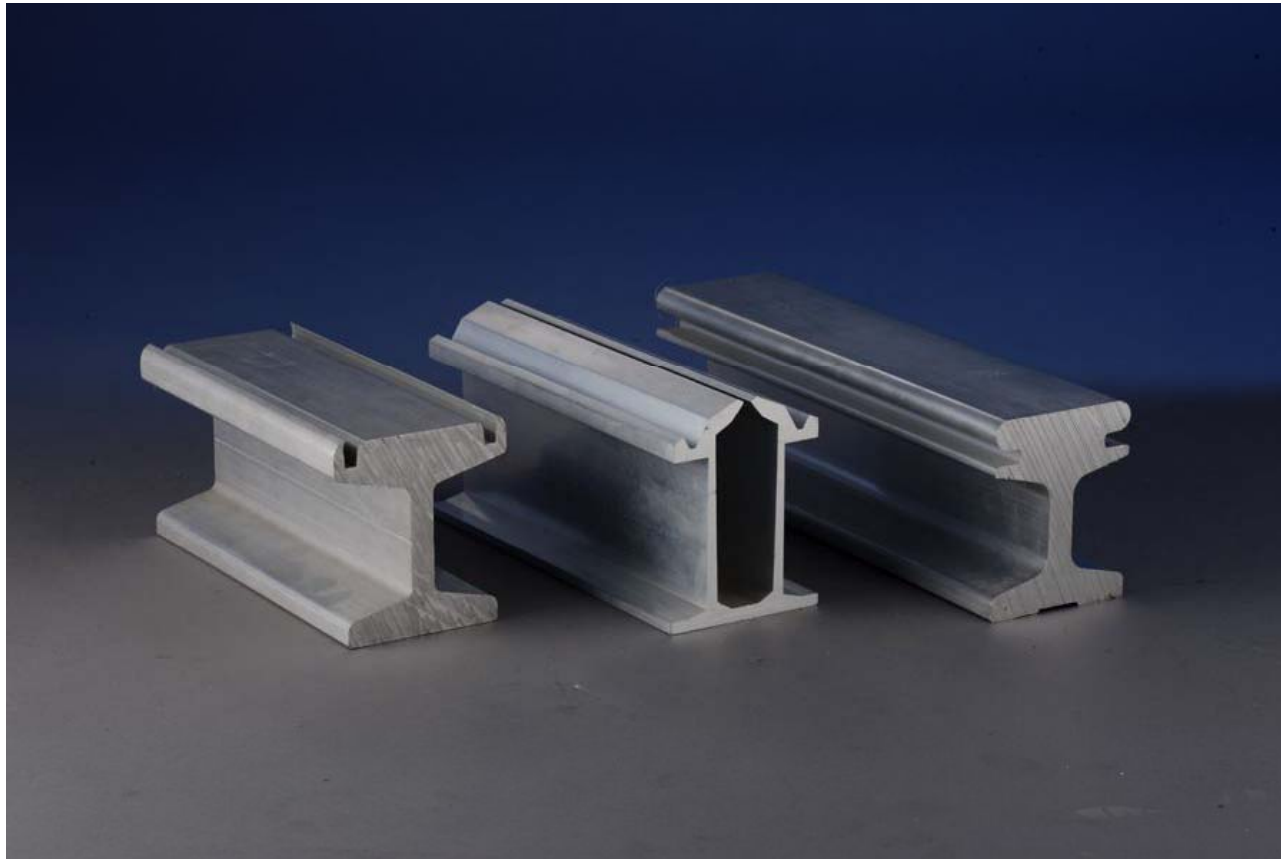

Profiles for sidewall and floor of subway carriage

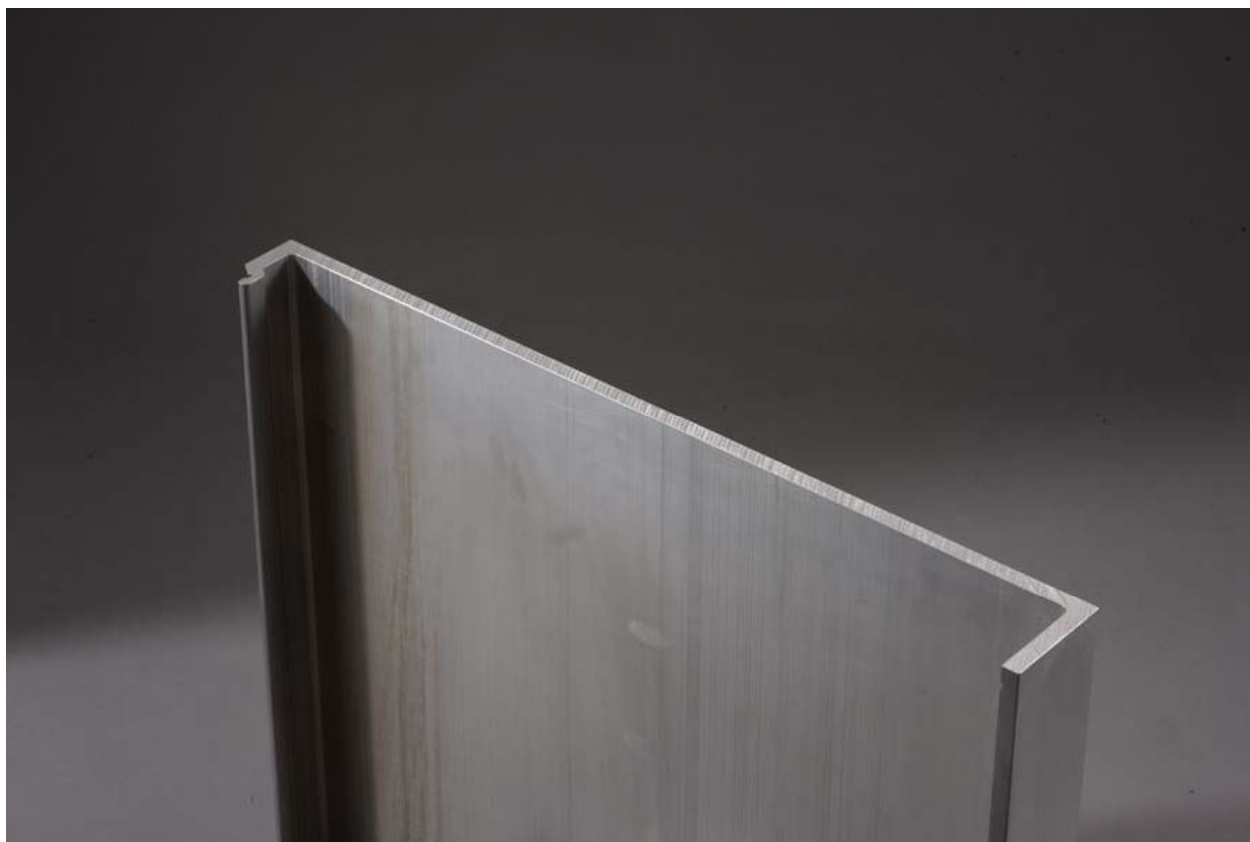

Profile for corbel of subway carriage

Profiles for subway conductor rail

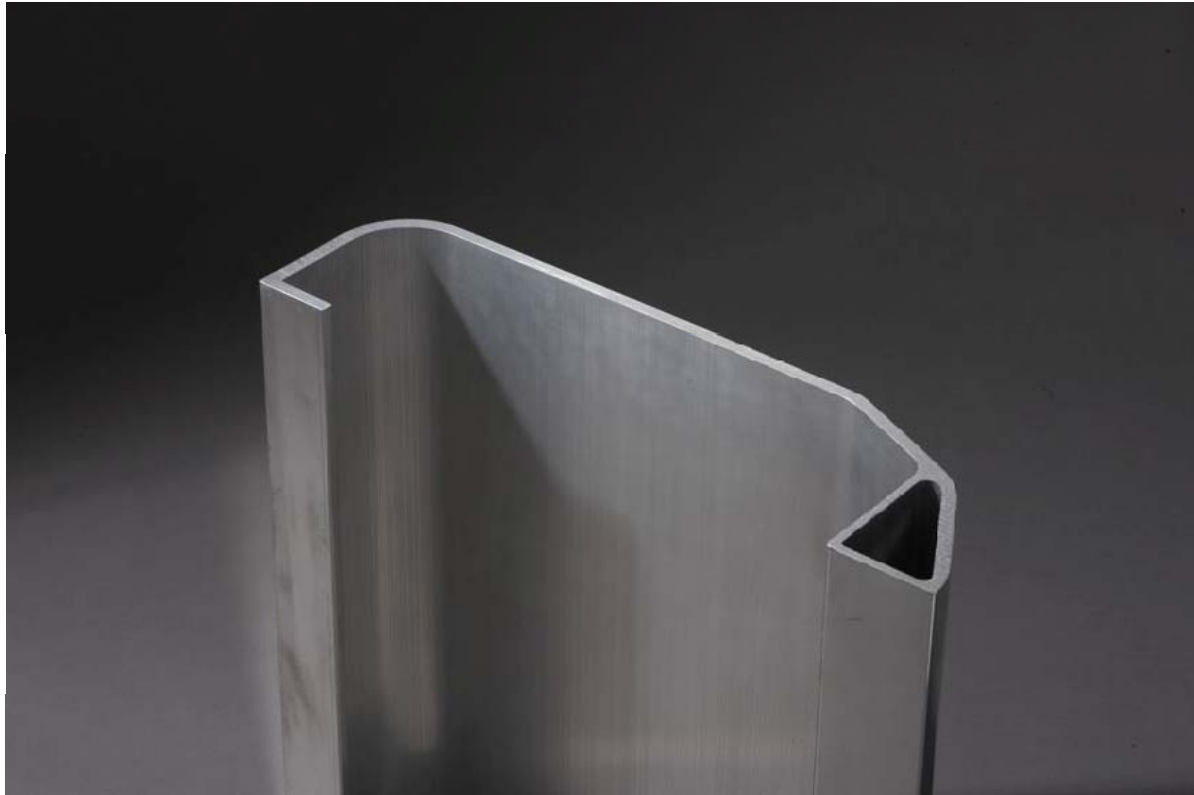

Profile for CRH3-380A underframe

profile for CRH3-380A side wall and roof side rail

Carriage body profile

Snow-removing wheel profile

Radiator profile

Crossbeam profile

Equipment crossbeam profile

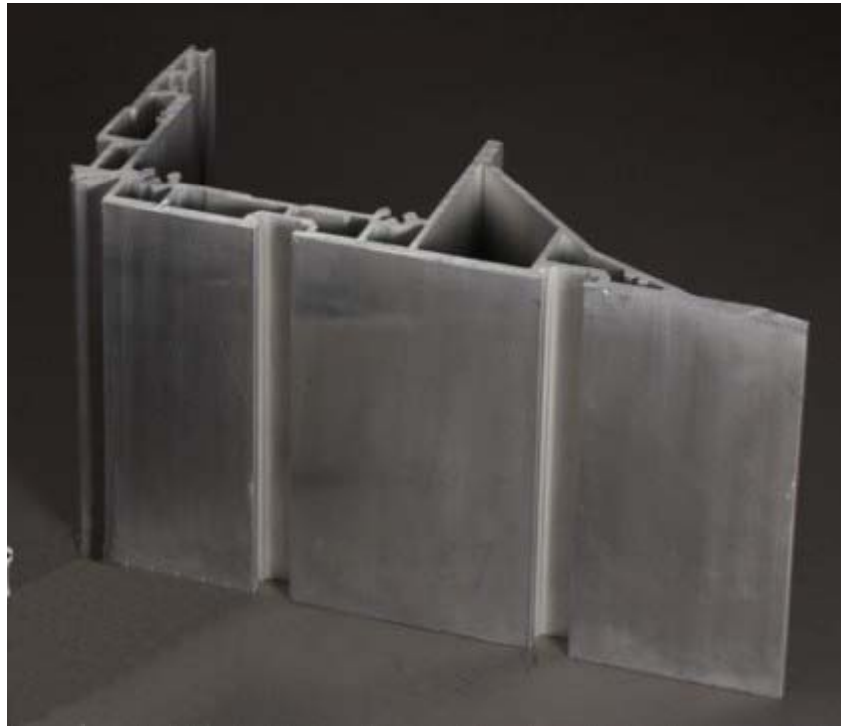

Air cylinder shell

Air cylinder shell, 6005-T6

Profile for woodworking equipment, 6005-T6

Robot lead rail profile,6063-T5

profile for electric power engineering sector

profile for electric power engineering sector (2)

3 profiles for electric power engineering sector

Curtain wall corner profile,6063-T6

Large Cross Extrusion Section For Tubes

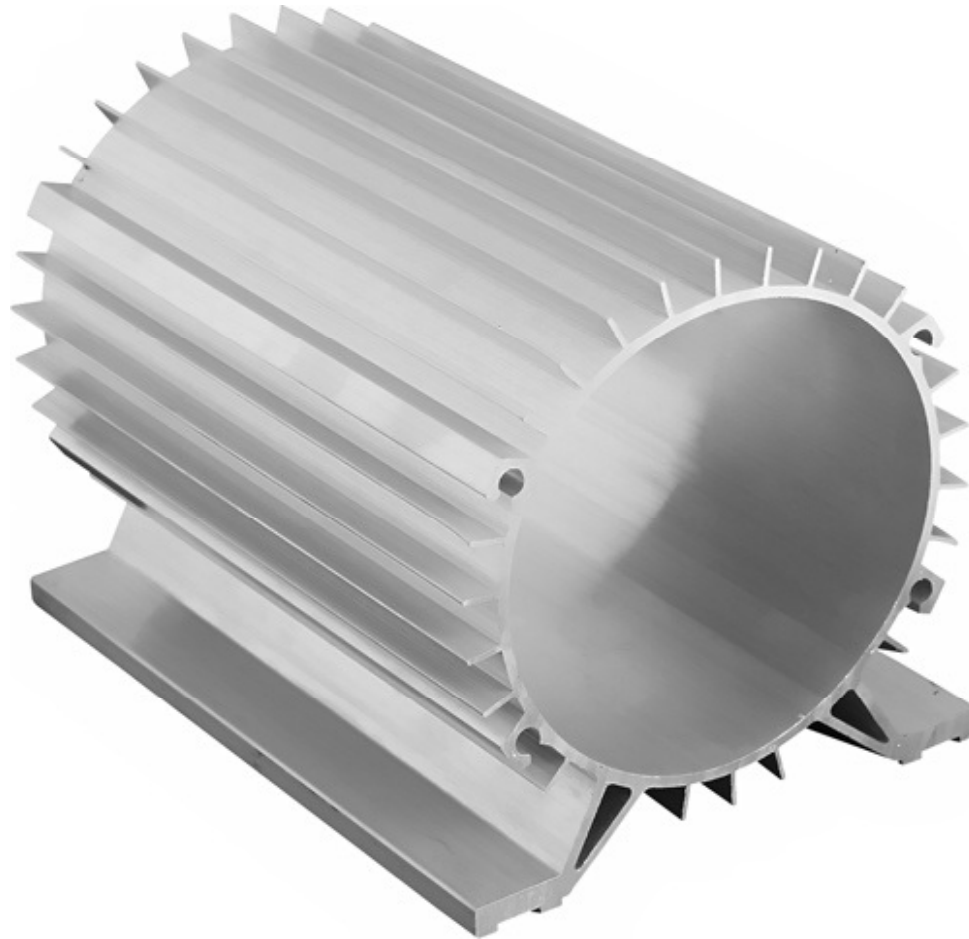

582mm in Diameter Aluminium Billets for 1250 metric ton press

582mm in Diameter Aluminium Billets

Aluminium Extrusion Profiles For Motor Cylinder Shell

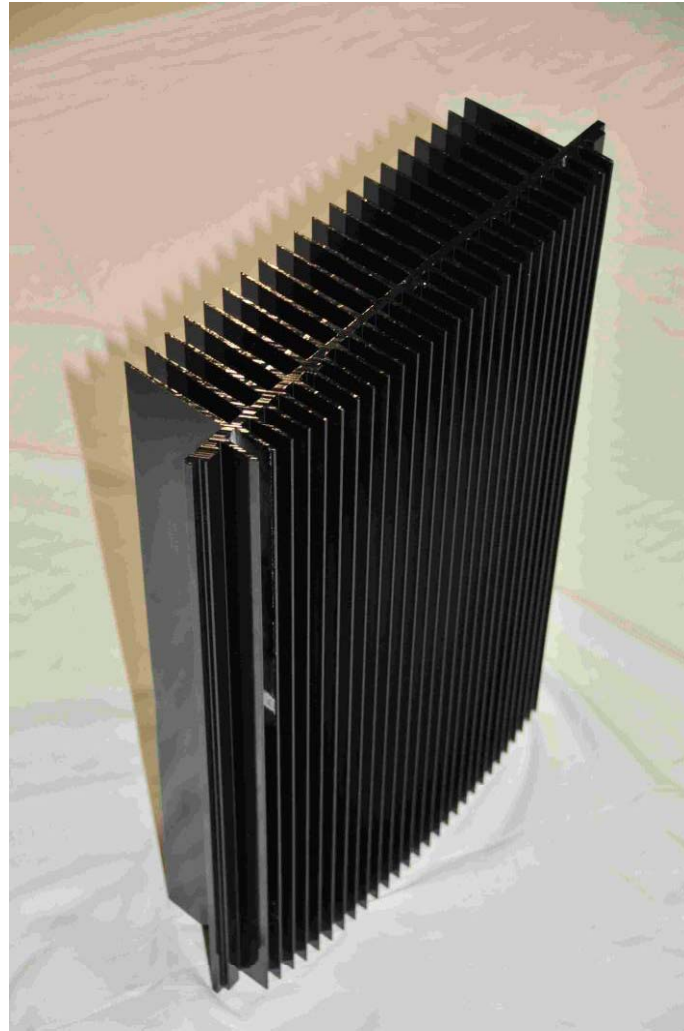

Aluminium Extrusion Profiles For Electric Tube

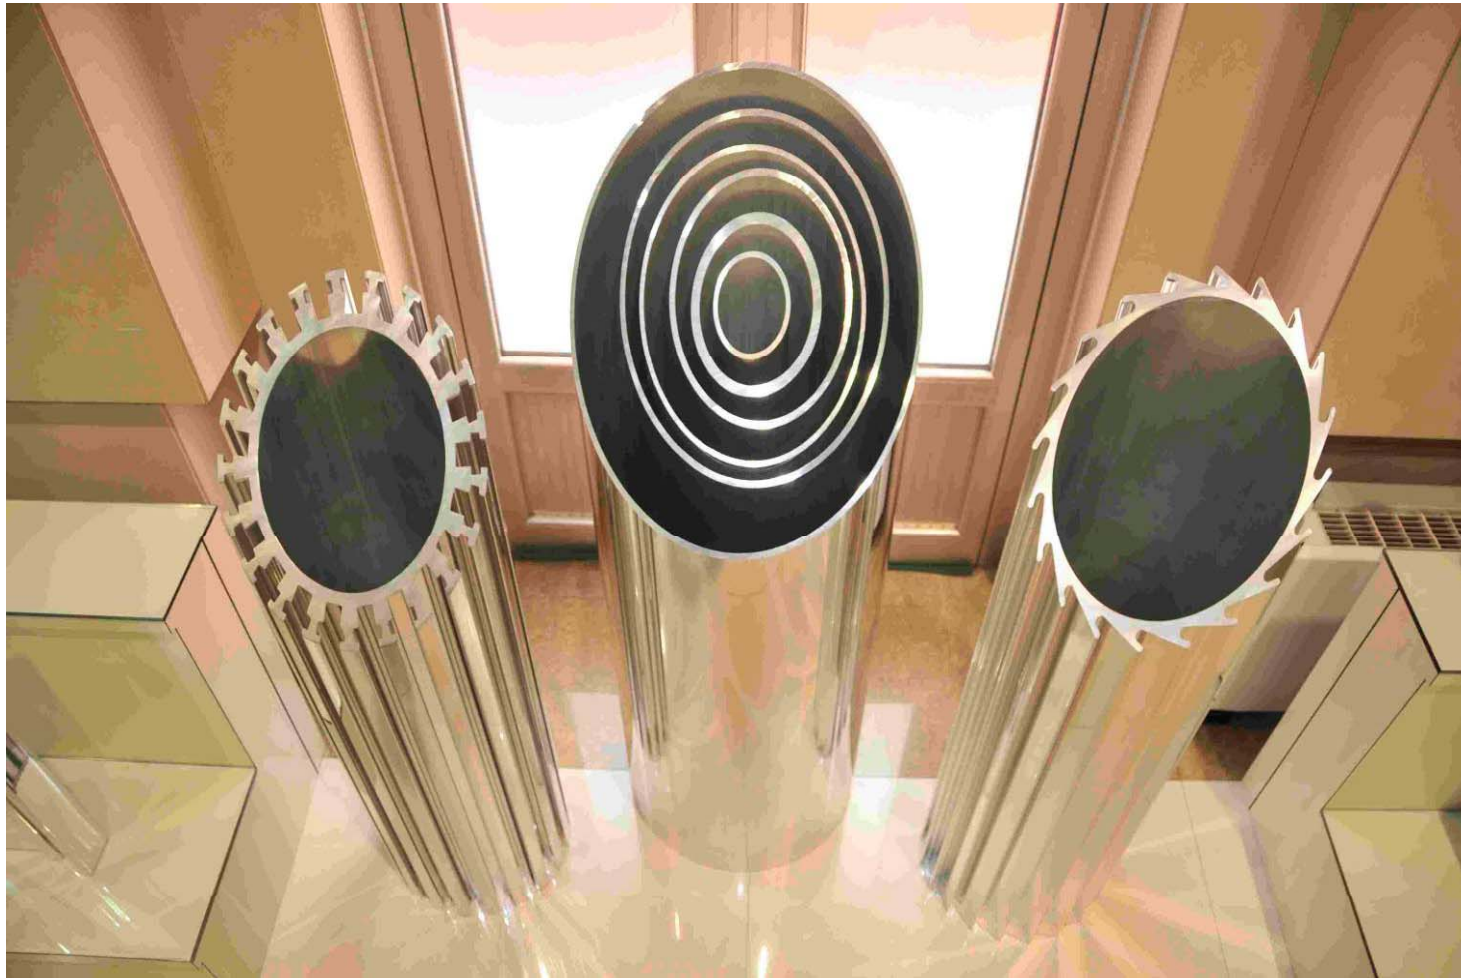

Aluminium Window and Door

Aluminium Profiles For LED

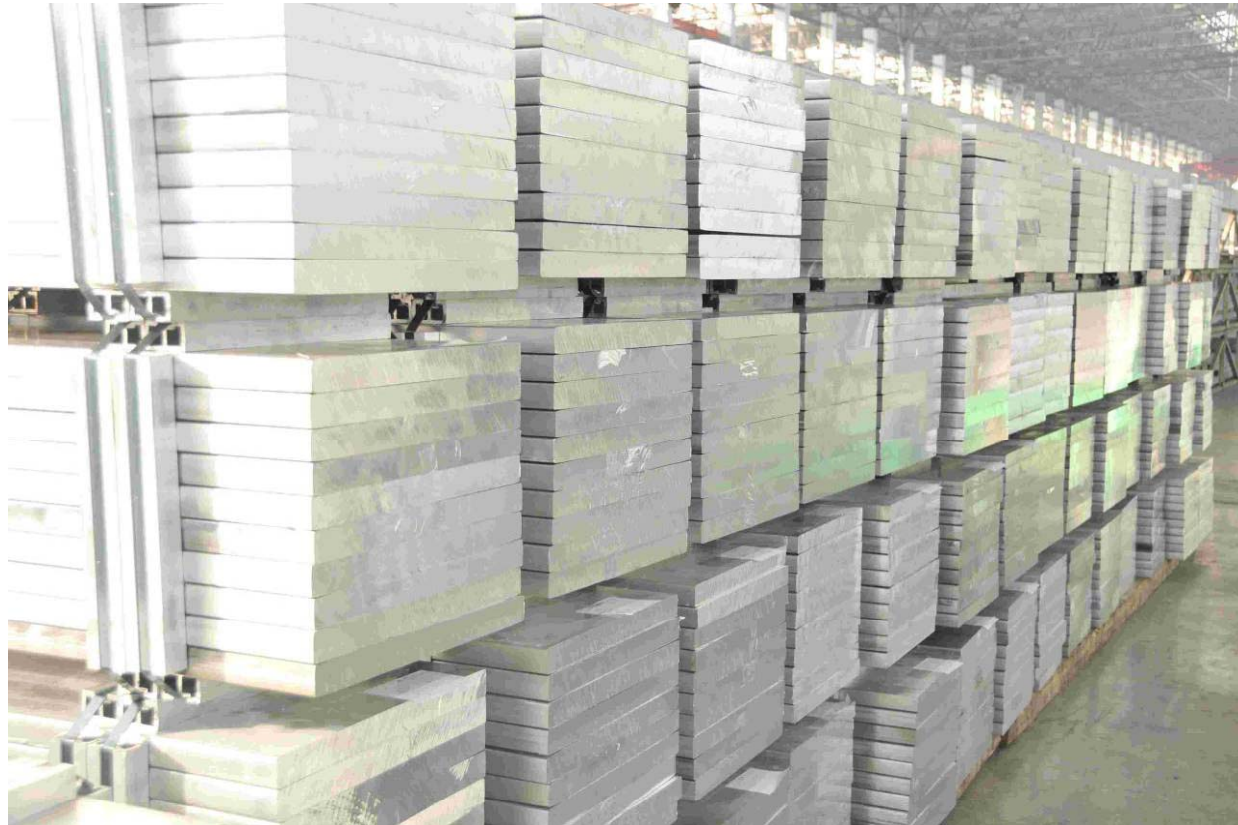

Aluminium Large Cross Sections

Conductor Rail Aluminium Profiles for Subway

Aluminium Plates

Aluminium Profiles for roof of subway carriage

Profiles for subway conductor rail

Aluminium Products

Aluminium Ladder

Aluminium Handrail

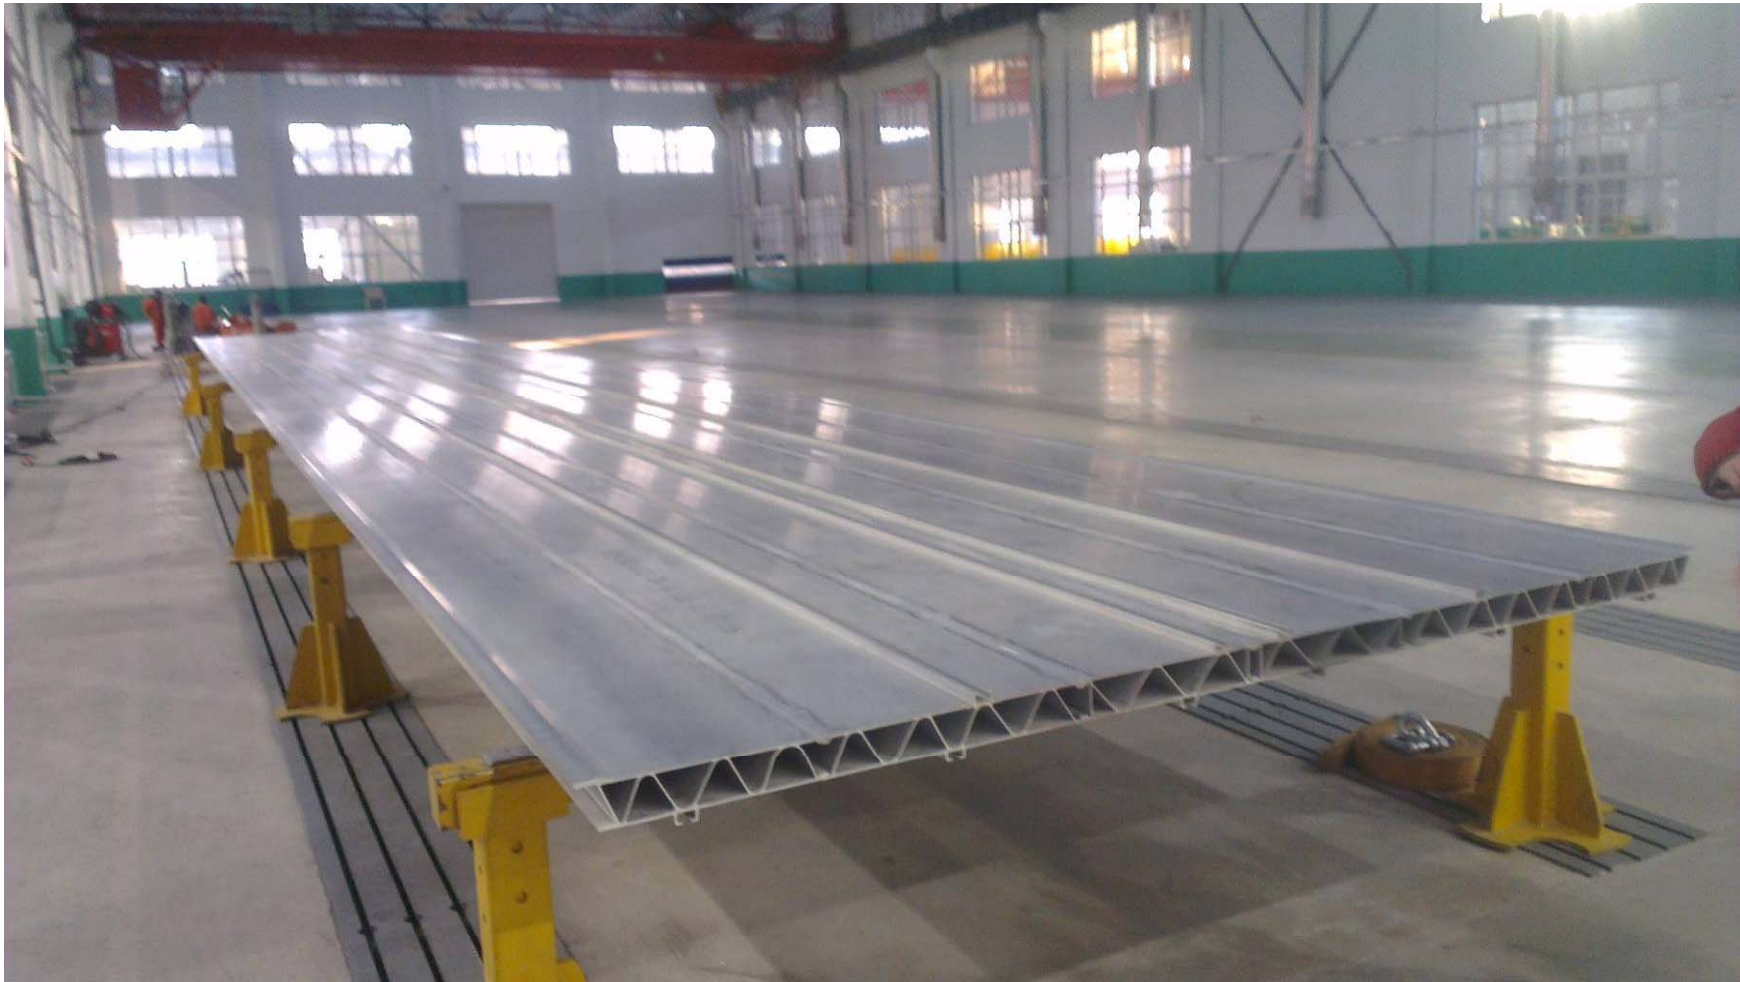

Passenger carriage for rail way

Cargo For Truck

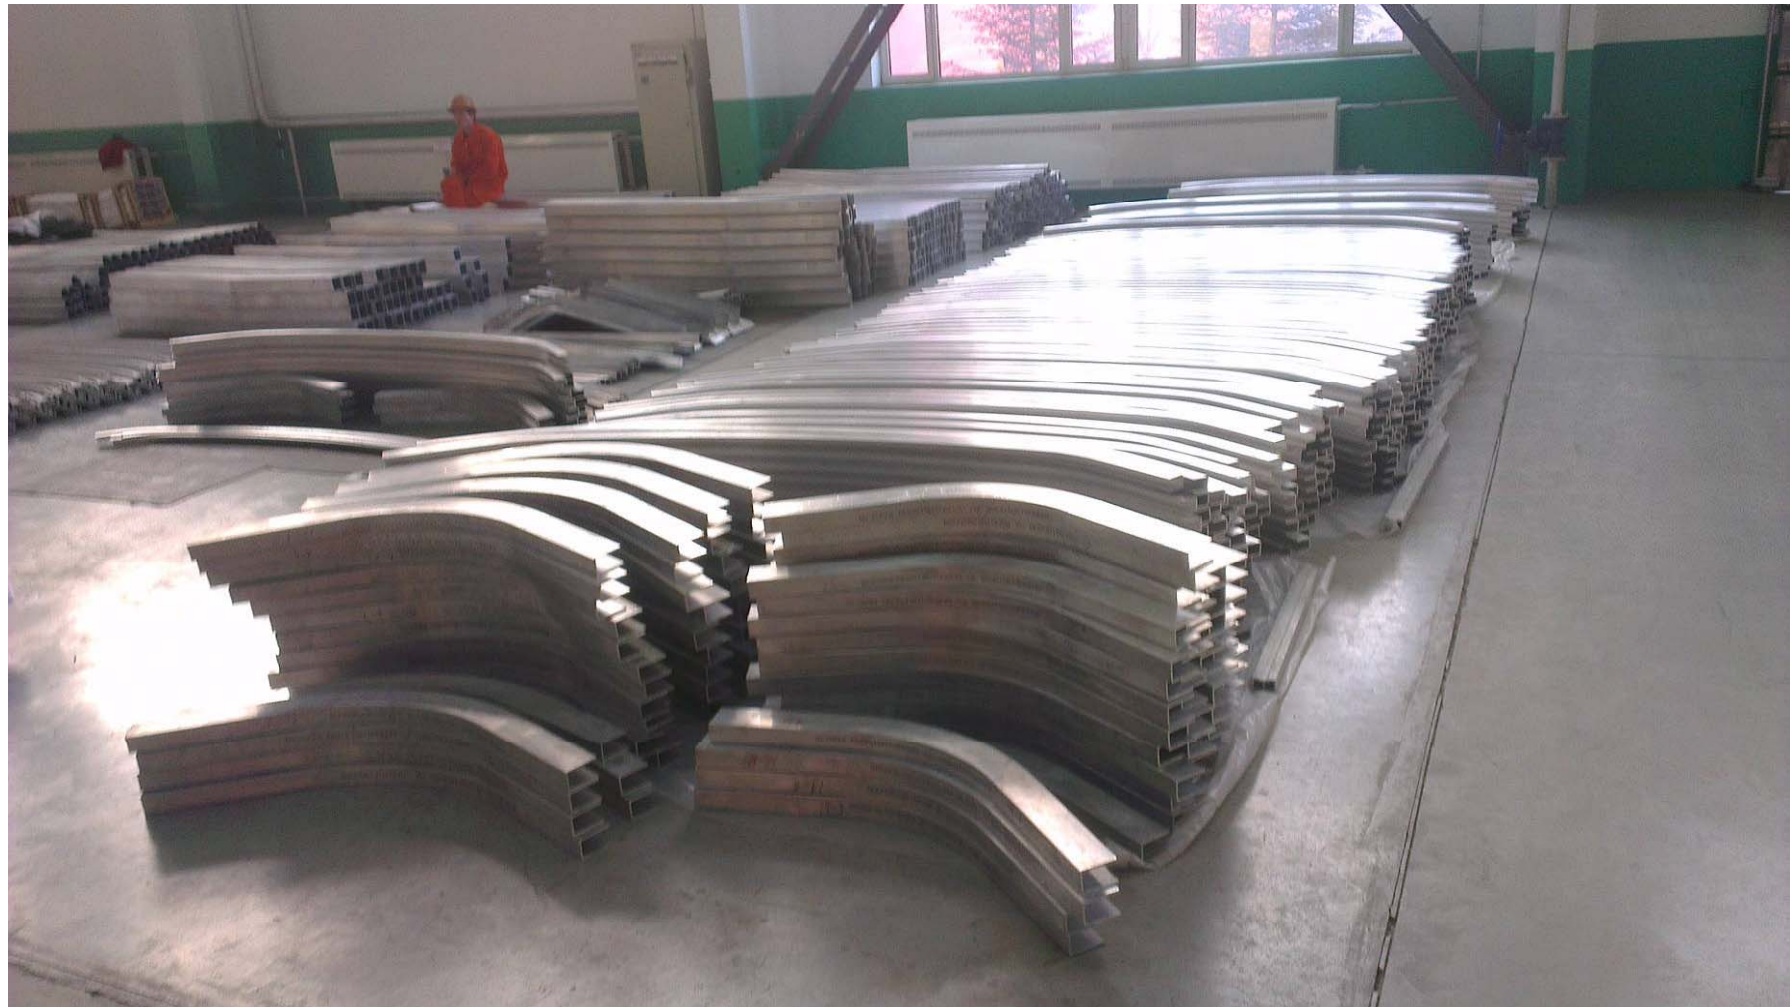

Carbody Aluminium Floor

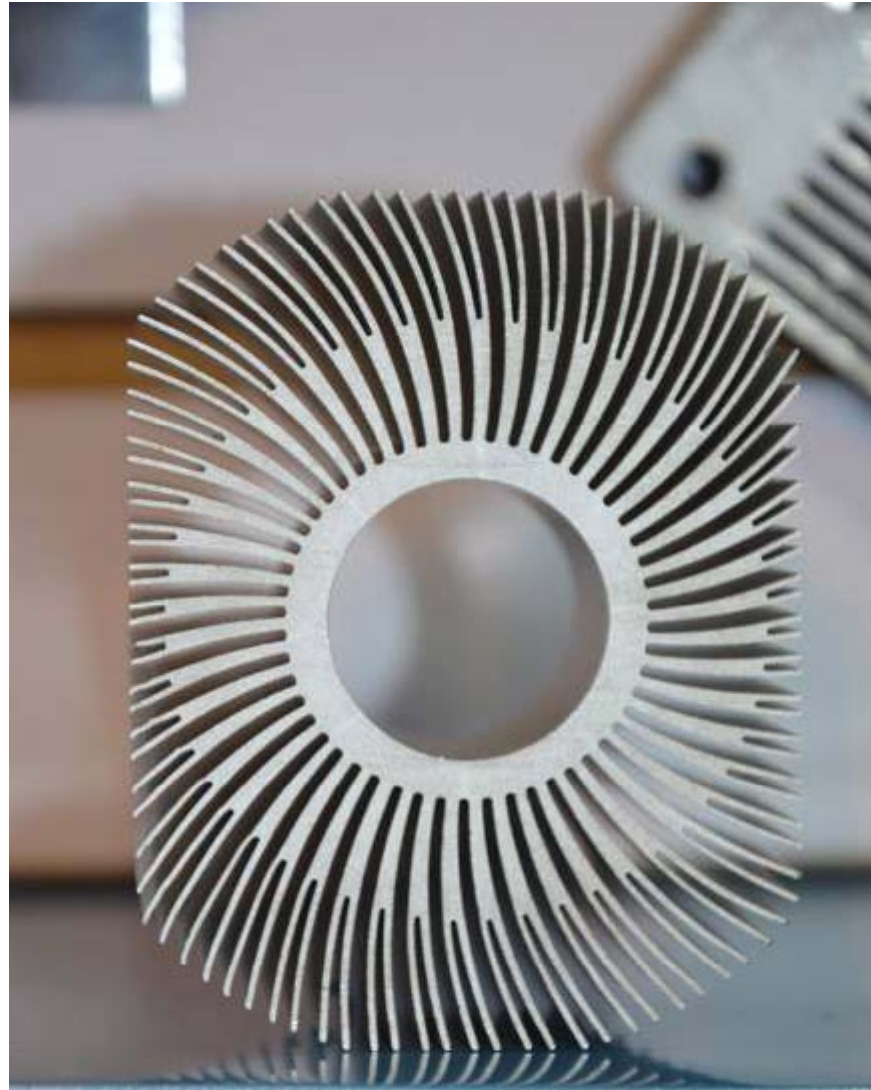

Carbody Aluminium Sidewall

Aluminium Car Beam

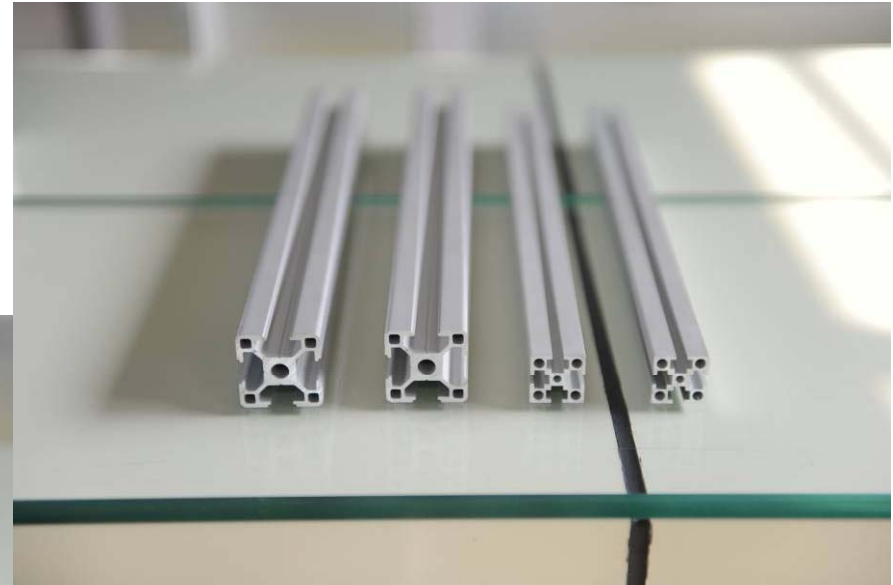

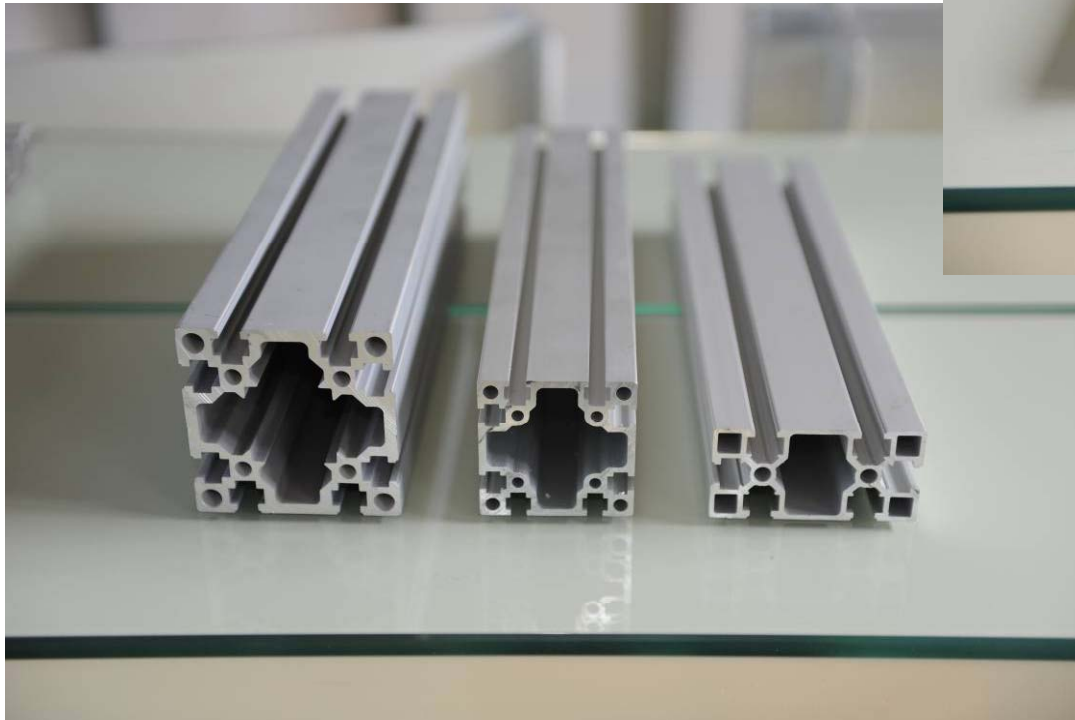

The fins of Radiator is density and thin

Aluminium Pallet

Industrial Aluminium Profiles For Machinery

Aluminium profiles for Automobile's Components

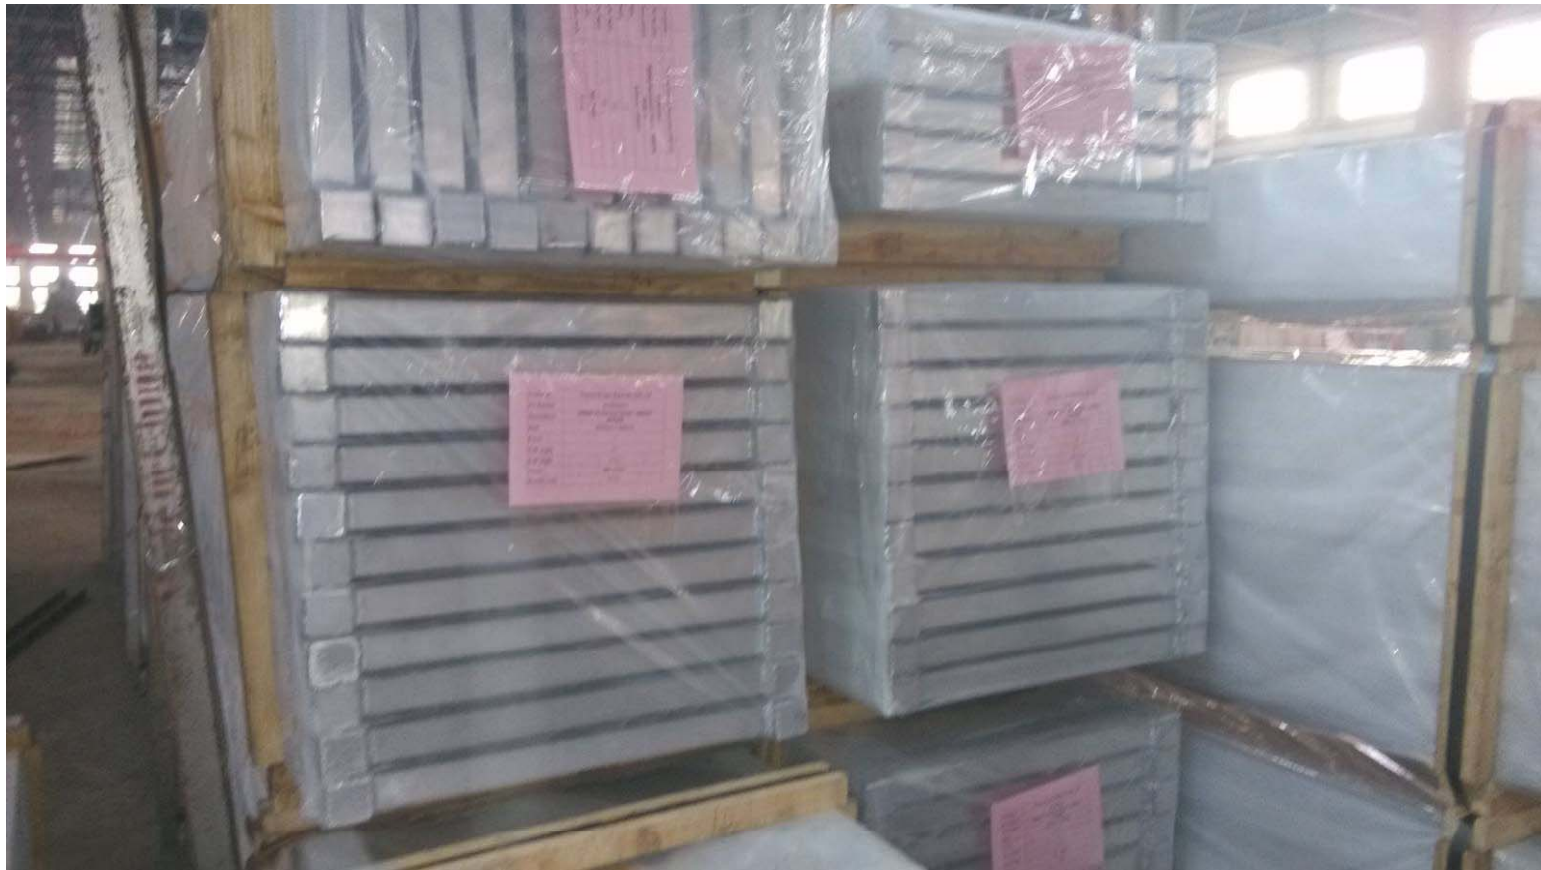

Aluminium Profiles For Bridge

Aluminium Plate with Inner Grooves

Aluminium profiles For Pylon

Aluminium Profiles for Naval vessel
